Dear Ms. Taliaferro:

The EPA Region 6 office received your FOIA request in which you requested the following:

We are requesting copies of all testing results, sampling and other data collected by the EPA as it relates to a water disposal well alleged to operate in Osage County, Oklahoma by Novy Oil and Gas, Inc. listed as Novy Osage B #15 SWD well. We specifically request data of water analysis taken by the EPA on October 5, 2016 and June 27-29, 2017, in addition to any and all other results of testing, sampling and data as it relates to the Novy Osage B #15 SWD well and violations alleged against the well operations.

Please assist us in processing your FOIA request. Please provide clarification for the portion of your request for "any and all other results of testing, sampling and data as it relates to the Novy Osage B #15 SWD well and violations alleged against the well operations." What is the date range of records requested for this portion of your request?

Also, if you have the facility ID number and address of Novy Oil and Gas, Inc. that would be helpful if you can provide this to ensure we are looking at the correct company.

We look forward to your clarification. In the meanwhile your FOIA request is on hold while we await your response. We will assume you wish to withdraw this FOIA request if we do not receive a response before September 22, 2017.

Sincerely,

Nancy Ho
